# Today October 20th National Call-In Day 1-866-279-5474

Make Calls and Spread the Word. We are encouraging you to make phone calls today to your congressional representation stressing the importance of health care reform. One to your Representative and one to each of your Senators. Use the PICO National Network's call-in number 866-279-5474. This number will allow you to connect to all three offices with only one phone call. Please take a few minutes out of your day to contact your representation to tell them you believe in reform.
