Protect Consumer Rights On Payday Lending

Help Is Needed to Make Payday Lending Legislation Stronger.

The SC Senate will be debating H3301 on **Tuesday, April 21, 2009.**

The current version of the bill does not provide adequate consumer protection. **Call your Senator and ask him to support amendments by Senators Hayes, Malloy, Lourie and Ford** that will help make this legislation consumer friendly.

We must protect South Carolinians from weak legislation. Pro-industry laws allows lenders to make repeated loans, which consumers are unable to repay. We must pass strong, pro-consumer legislation to stop this cycle of debt. Don't allow legislation that prey on vulnerable SC citizens to stand.

Tell your Senator...*Vote for the amendments on Payday Lending!*
