National Call-In Day

FOR HEALTH CARE REFORM

**TODAY! TUESDAY, JULY 28
9 AM - 5 PM**

It's time. Health care costs are skyrocketing, and last fall we voted for real change. Congress needs to support and pass health care reform in this session.

Call your representative and tell him or her your union and your family want our broken health care system fixed now.

Corporate lobbyists are standing between you and your doctor. Don't let them block reform! It's time. Call your representative.
